## ABOUT KRISHNA DAS

Krishna Das began leading chanting in 1994 in NYC, and has been traveling all around the world ever since, developing his signature style, fusing traditional kirtan of the East with western harmonic and rhythmic sensibilities. The audiences have been ever growing, responding to his remarkably soulful voice, which touches the deepest chord in even the most casual listener. He's taken the call-and-response chanting out of yoga centers and into concert halls, becoming a worldwide icon and the best-selling western chant artist of all time. Krishna Das has released over 15 albums, authored 2 books, and is the subject of the documentary - One Track Heart: The Story of Krishna Das.
